

RELIGION-OUTSIDE-THE-BOX

Religion-Outside-The-Box is a revolutionary, internet-based, non-denominational, guilt & dogma free, 501-c3 tax-exempt, religious organization empowering people to find and be with (the) God (of their understanding).

Religion-Outside-The-Box helps those for whom organized religion doesn't feel comfortable and for whom woo-woo spirituality is a little too formless. **Religion-Outside-The-Box** empowers adults to reclaim the heart of their spiritual-religious lives through services, classes, private consultation, and the Internet. **Religion-Outside-The-Box** does not discriminate based on sexual orientation, gender, marital status, age, nationality, ethnicity, theology, or religious affiliation. **Religion-Outside-The-Box** does not desire adherents, but fellow journeyers. **Religion-Outside-The-Box** helps free people from themselves so that they can better be their true selves — present, here, aware.

Religion-Outside-The-Box is a tax-exempt organization that can use your help.

All contributions are 100% tax-deductible.

<u>The Shout-Out</u>	<u>The 77-Percenter</u>	<u>The One Who Imagines</u>	<u>The Philanthropist</u> <i>(Literally: Lover of humanity.)</i>
I wholehearted agree with the above, and want to give a monetary "shout-out."	I read about 77% of the articles Rabbi Brian sends, but agree with what he is doing 100%.	"You may say I'm a dreamer... but I'm not the only one. I hope some day you join us... and the world will live as one."	I want the money I make to make a positive, lasting difference in this world.
